Start a Conversation

Explore Capabilities

Bottom Strip

AI Solutions • Enterprise Software • CRM Platforms • Business Automation • Web & Mobile Development

PRIORITY 1: REMOVE ALL FAKE ENTERPRISE CONTENT

This is the single biggest issue.

You currently have:

- 60+ Countries Served
- 250+ Enterprise Clients
- 1200+ Engineers Worldwide
- Global Bank Saved \$48M
- Priya Mehta CTO Testimonial
- 15+ Decade Long Partnerships

Replace With This

Instead of:

250+ Enterprise Clients

Use:

AI-First Solutions

Instead of:

1200+ Engineers Worldwide

Use:

Enterprise-Grade Development

Instead of:

60+ Countries Served

Use:

Custom Software & SaaS

Instead of:

99.99% Platform Availability

Use:

Built For Scale

PRIORITY 3: INDUSTRIES SECTION

Current:

Banking
Healthcare
Manufacturing
Telecom
Energy

Problem:

Nobody believes a startup has deep expertise in all these industries.

Replace with:

Industries We Empower

- Startups
- SMEs
- Professional Services
- Education
- Healthcare
- E-Commerce

These are believable.

PRIORITY 4: PRODUCTS SECTION

Current:

AUMOXO Nexus

AUMOXO Atlas

AUMOXO Pulse

Remove these.

Instead:

AUMOXO CRM

Customer relationship management platform designed for sales, operations, and customer success teams.

AUMOXO Automate

Workflow automation and AI-powered process orchestration for modern businesses.

AUMOXO Intelligence

Analytics and reporting platform that transforms business data into actionable insights.

PRIORITY 5: REMOVE THIS ENTIRE SECTION

The section:

\$48M saved over three years for a global bank

Delete it.

Immediately.

Replace with:

Why Businesses Choose AUMOXO

AI-First

Integrate intelligence into every workflow.

Built For Scale

Enterprise-grade architecture from day one.

Faster Delivery

Lean teams, modern technology, rapid execution.

Business-Focused

Solutions designed around measurable outcomes.

PRIORITY 6: SERVICE GRID

Current:

- Web Apps
 - SaaS
 - AI
 - Android
 - Automation
 - UI/UX
 - Social Media
 - 3D
 - Video Editing
-

Reorganize into:

Enterprise Solutions

- AI Solutions
- CRM Platforms
- Automation Systems

Product Engineering

- Web Applications
- Mobile Applications
- SaaS Platforms

Design

- UI/UX Design

Move Social Media, Video Editing and 3D Modeling to a separate page if you absolutely want to keep them.

Do NOT show them on homepage.

PRIORITY 7: FOOTER

Current:

Global • Headquartered Worldwide

Use this .

Serving businesses worldwide.

PRIORITY 8: INSIGHTS SECTION

Current titles:

- Multi-cloud FinOps
- Zero Trust
- GenAI Maturity

Looks like Accenture.

Not AUMOXO.

Write content your target customers actually search:

Better Topics

- How AI Can Reduce Operational Costs
- CRM vs Spreadsheet Management
- Automating Lead Follow-Ups Using AI
- Building Internal Business Software
- AI Agents For Customer Support

These attract clients.
